SOUVENIR

1967

ENTRAL FALLS HIGH SCHOO

Foreword

Let us now take the time to relive our years at Central Falls High School. Let us relive a thousand experiences: some happy and some sad; a million memories of both pleasure and sorrow. We can do this by reading our yearbook. A yearbook serves as a means of reminding us of the high ideals we learned and the great goals we learned to seek. A yearbook reminds us of our humble beginning when we are too proud or of our many accomplishments when we are too despondent. It helps to shape our past into a workable mold for our future. A yearbook is all these things, so let us now look into these pages. Let us also remember not to linger too long, for the past serves only as a means to accomplish an end. It should supplement the present, but never dominate it.

WILFRED N. LAVALLÉE
SUPERINTENDENT

TO THE GRADUATES OF 1967:

Your teachers have been trying for the past twelve years to prepare you for a fruitful and happy life. They have labored assiduously to enrich your minds with knowledge, imbue your hearts with love of truth and duty and prepare you for the stringent demands of our complex society. They have endeavored to teach you the true values in life and your obligations to God, your country and your fellowman. Venture forth courageously, face undauntingly the future. If you follow the precepts that you were taught and fulfill your obligations to God, your country and your fellowman, your life will be crowned with success and happiness.

A Message From Our Principal

CENTRAL FALLS HIGH SCHOOL

CENTRAL FALLS
RHODE ISLAND

Dear Graduates,

June 1967

JAMES H. GARVEY
VICE PRINCIPAL

You will first read these words as you prepare for graduation. In the years to come, you may chance upon this message, and so I realize that it must be of the present and for the future.

Let me advise you to think positively and to talk happiness. Is not the world sad enough without the recall and repetition of woe? Of course, one becomes upset with the conflicts of life, and especially with a defeat. But the positive mind and the happy heart seek out the true goal and the real good, and with an every-day bearing, bred in years, not in moments, throw off discouragement and find joy, contentment, and success. See to it that you have your share!

Vaya con Dios!

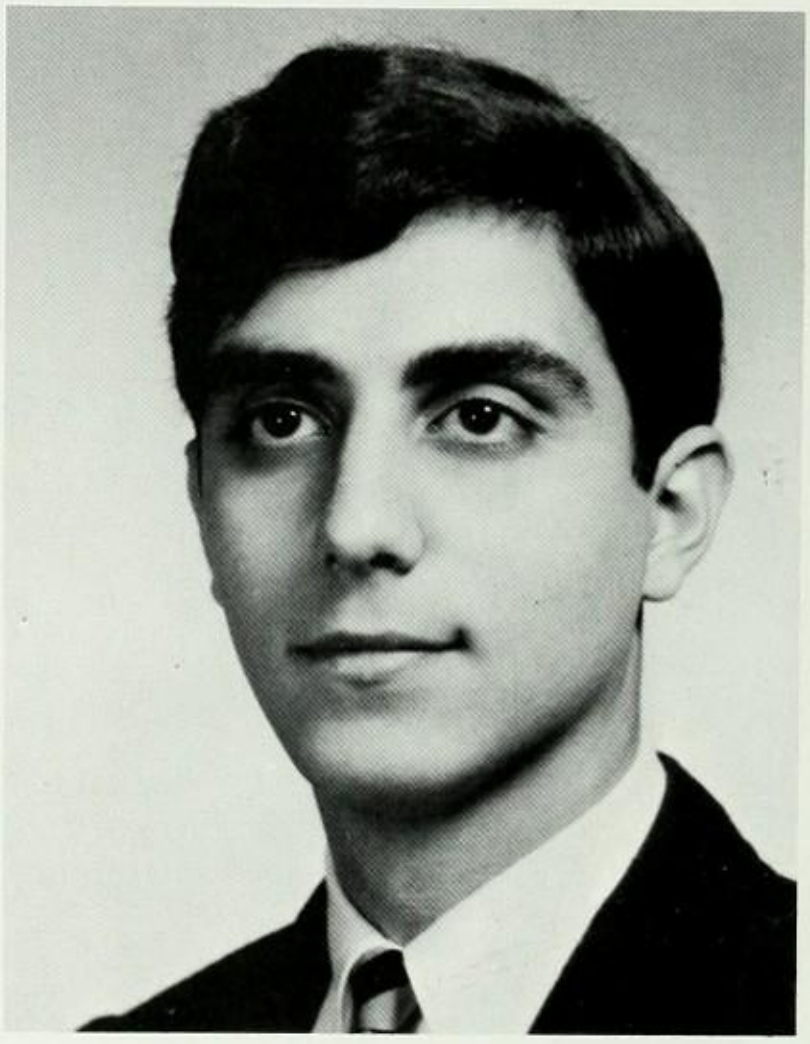
Favorite Saying: Right here!

Bunny, one of our most active Warriors, loves all kinds of sports. His witty remarks, dreamy eyes, and fun loving personality are only a few of the things that have made him popular. Even though he tries, he can't disguise the fact that he has a good head on his shoulders. His activities include Basketball II, III IV, and Class Day Committee.

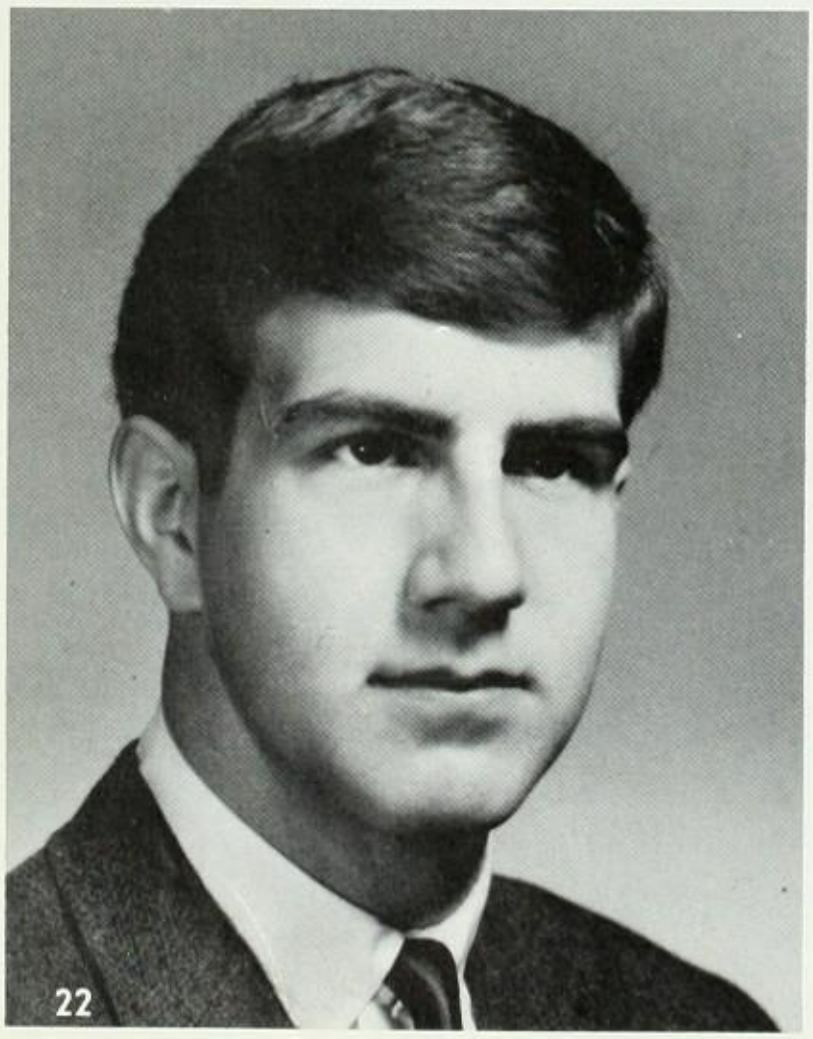


ROBERT ARMOUSH

Business Ed *Bob*

Favorite Saying: I doubt it!

Although a quiet and reserved person, Bobby is one who will surely succeed in life. He does his best not only as a Baseball player but in everything he attempts. In his years at Central Falls High he was on Baseball II, III.



DENNIS BACHAND

Business Ed. *Den*

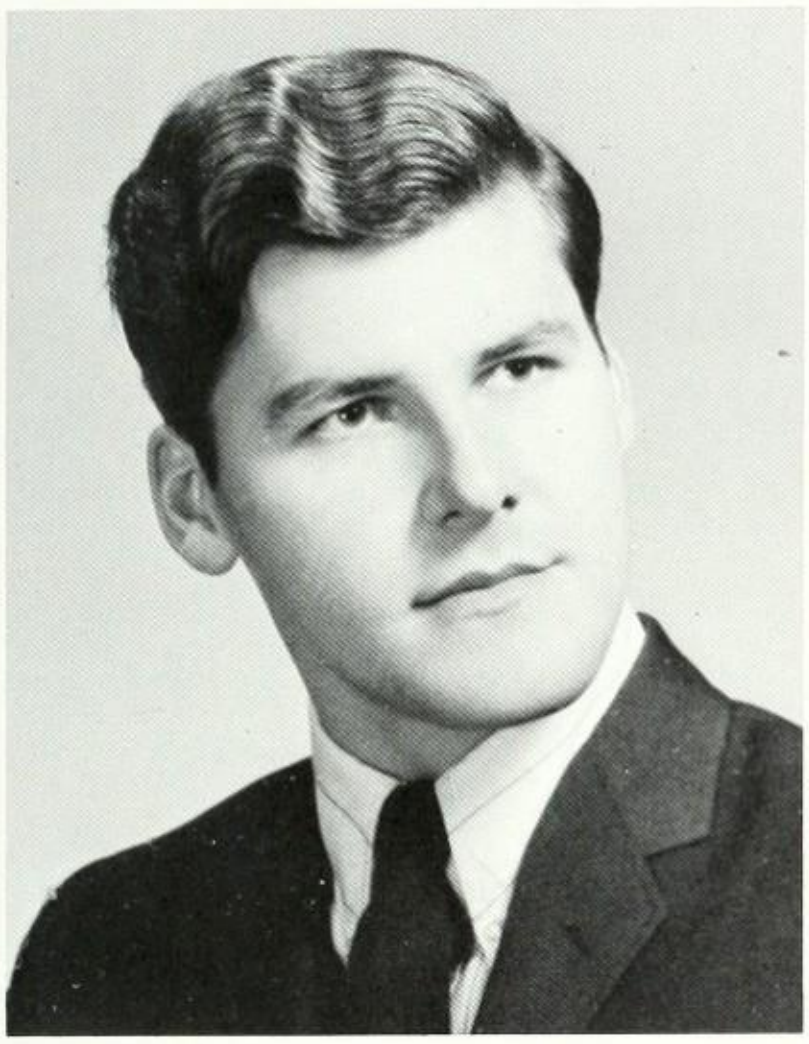
Den may look quiet but really he has a wonderful sense of humor. This could be proved by the fact that he drives a huge black Buick. We are confident that this lad will come out on top in whatever he decides to do. He was on the '67 Senior Class Ring Committee.

SUSAN ANNA BOLDUC

College Prep. *Sue*

Favorite Saying: No?

Sue is one of our quiet and sweet Seniors who is always there with a helping hand. She works hard in school, but doesn't spend all her time studying. We have discovered that she likes to bowl, paint, and surf also. Her interest in bowling has made her an asset to our bowling team. Sue's activities in C.F.H.S. were Bowling Club II, Tennis Club III, Class Day Committee, and Yearbook Literary Staff.



ARTHUR BRUNELLE

Lucky Central Falls High to have a guy like Art! What wit! What muscles! Seriously, he's a fellow chock full of ideas and always ready to argue about any subject from drumming to surfing. His activities were Senior Class Representative, Future Teacher's Club II, III, IV, and Tennis Club IV.

OMER MAURICE BRUNELLE

First row going left to right, Robert Whitehead, John Gagnon, Dale Clarke, Anthony Goes, Fred Issa, *Second row,* Coach Hamel, Michael Ukleja, Ali Nuri, Edward Osediacz, Dennis Cooney.

In the opening weeks of September the sport of Cross-Country was brought into Central Falls High for the first time in the history of the school. For the boys participating, it was an entirely new experience; however, under the direction of Mr. Hamel, they soon caught on. They learned that long distance running demands top conditioning, endurance, and keen competitive spirit. These are the qualities our coach seeked to instill in all the boys that went out for the team.

Having a late start and only a few weeks of practice under their belts, our 'harriers' began a season of informal meets with St. Raphael, Pawtucket West, Tolman, Lincoln and our Broad Street rivals, Sacred Heart. Considering the lack of the team's experience, Mr. Hamel was surprisingly pleased with the performance of Senior Capt. Dale Clarke, who ran first for C. F. all season. Junior John Gagnon, Senior Dennis Cooney and Sophomore Robert Whitehead fought for the next three places in every race, with each being the runner-up at one time or another. Always close behind were Juniors Anthony Goes and Edward Osediacz. As the season wore on these boys as well as Seniors Steven Pinheiro, Ali Nuri, Michael Ukleja, and Junior Fred Issa really developed the desire for running.
